# **FREQUENTLY ASKED QUESTIONS:**

## **Do I have to get the offers myself?**

No, FAME has a list of available offers for each area. You may, however, invite additional businesses that aren't currently on the list to be on your cards. This is a nice way to promote your "Partners in Excellence." Just use the attached information sheet and ad agreement. There is no cost to the business that is advertising other than whatever they offer or discount they want to give.

## **What is the minimum order?**

Some areas have "Generic Cards" already preprinted and ready to use. If that is the case for your area, the minimum order can be for as little as 100 cards PREPAID. In other areas only Customized Cards are available. The minimum order for Custom Cards with your logo and choice of businesses is just 300 cards PREPAID.

## **What is the Value of these cards?**

The average person using these cards will receive \$200 or more in savings per year, but the true value is the goodwill your organization generates from the people using the cards. When sold as a fundraising card, the average selling price in Florida is \$10-\$20, giving the group an 70% to 85% Profit!

## **How much do these cards cost?**

The cards are just \$3 each. You may even invite a Sponsor to cover the cost in exchange for a prominent ad on the card. If you sell the cards for \$20 each, you only have to sell 53 cards to make back your initial investment. The rest of the the order is pure profit!

## **Is the card Reusable?**

Yes. The cards are never punched, marked, or taken away. You simply show the card and the offer is honored through the expiration date.

## **What is the Expiration Date on the Card?**

The cards are valid for 12-13 months from the date of printing. Because they expire, your families and community will be eager to purchase new cards next year so they can continue to save money.

## **What offers are available in my area?**

FAME has negotiated contracts with thousands of restaurants and businesses both locally and nationally. Please email us with your request for information so we can send you the choices for your particular area. When requesting information, email the name of your city, the school or organization name, and your phone number in case we have questions.

## **Once we order our cards, how long does it take to get them?**

The turn-around on giving you a proof is generally about a week as long as we have everything we need from you (logo, choices, alternates, etc.) Once you are satisfied with your proof and sign off that it is OK, you will receive your cards within 2 weeks. If you need them faster, we can get them to you in a week, but the rush fee may be up to \$40.

# How to Order Custom Fundsaver Cards

1. Choose up to 22 offers from our vendor list and put them in order of preference.
2. Choose 8-10 alternates and put them in order of preference.
3. Email your group's logo to famecard@yahoo.com. Please give us the highest quality version you can find. If you don't have a good logo, we may be able to find one for you.
4. Tell us your group's colors. If it is important to have the exact color, please provide us with the PMS color number or a swatch of color that we can match.
5. Tell us the date you'd like to start your program. Please allow up to 2 weeks for production and delivery of customized cards. If you are requesting that we sign up **new** restaurants or businesses for your program, you should allow an additional 4 weeks.
6. **If you need to raise money immediately**, you may choose to use our **generic cards (where available)** which are already printed and ready to go. **Custom cards can be delivered in 7-10 days with a \$40 rush fee.**
7. Provide a copy of your current Sales Tax Exemption Certificate when applicable. If no certificate is provided, please add tax to your order. Proof that you are a non-profit organization is not the same as a Sales Tax Exemption Certificate.
8. Include payment with your order. If you need an invoice to give to the treasurer or bookkeeper, please tell us how many cards you are ordering and if you are paying sales tax, then email your request to: famecard@yahoo.com. **We do not ship cards without pre-payment.** We accept Visa, Mastercard, Discover, Debit Cards and Checks.
9. Some organizations have "Partners in Excellence" or parents with businesses. We can typeset an ad for them at no additional charge. Simply request an ad agreement from our office, fill it out, have them sign it, and provide us with a copy of their logo.
10. Give us your contact information, including an email where we can send a proof, a phone number, and the address where you want the cards shipped. We recommend that you have them shipped to a home or business since they often get lost at the school, or Fedex/UPS tries to deliver after school has closed.

11. Mail or email your order and mail payment to:

# A Personal Recommendation from a Satisfied Customer is the Best Advertising there is.

You were recommended by: \_\_\_\_\_ . What a compliment!

We have a program that enables Organizations, Professionals, and Realtors to personally recommend and promote your establishment to their clients, friends and the community. This program will bring you new business from Local Members of Non-profit groups, people just moving into the area, and more frequent business from established residents.

## HERE'S HOW IT WORKS

These organizations and professionals, who are some of your regular customers, have a special membership, fundraising, or gift card that they give to their members, sell to raise money for their non-profit group, or give to their clients. This card is called a "Valued Customer Card". It's laminated in plastic and is full color on the front. On the front and back are promotions for local businesses that these groups feel offer the best products and services in their area.

Each promotion has some small discount or incentive, in many cases only available in slower traffic periods, like Monday-Thursday. Most of these discounts are quite small, 10%-15% off, available most of the week, or larger discounts like 50% off second item or even buy 1 get 1 free, available just 1 day per week.

Every card has an expiration date, so it can only be used until the card expires. Each card also has the disclaimer "Not to be used with any other discounts" so it will not affect any other promotions your company is running. People carry these cards in their wallets and use them repeatedly throughout the year. Even if your promotion is only a free medium drink with purchase of a lunch, it still equates to thousands of customers right in your market area who are continuously reminded of where you are, what you do, and that you're open for business.

Every time someone looks at this card it acts as a small directory of products and services in your area. The Organizations, Realtors, and Professionals pay for the entire cost of producing and distributing the cards. This card keeps their group or business information constantly available to their members and clients as well. The only cost to you is whatever discount you offer.

Compare this FREE advertising with the hundreds of dollars you pay for other types of advertising. This card and the Organizations, Realtors, and Professionals who are giving it to their members and customers continue to work for you month after month throughout the year. You can run the same promotion next year or run a completely different one FREE of charge. There is never any additional cost to you.

The Organizations and Professional People who run your promotion on their Valued Customer Cards do so because they know and like your product or service. They will continue to personally recommend and promote your company as long as you are in business and want to participate in this program. Don't miss this opportunity to have people who believe in your company increase your business and profits by sending you their members and customers.
